ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 89% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled and includes quantitative elements that are evaluated on a cumulative basis at each evaluation periods throughout the program of study. At the end of each evaluation period, the school will determine if the student has maintained at least 89% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 112% at any time of the course length) allowed for students to complete each course at satisfactory academic progress is stated below. Any transfer hours from another Washington State school that are accepted towards the students educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study and includes qualitative elements that are evaluated on a cumulative basis at each evaluation period throughout the program of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written cumulative grade average of 76% and pass a MIDTERM and FINAL written and practical exam with a 76% or higher prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

94 – 100	EXCELLENT
85 – 93	VERY GOOD
76 – 84	SATISFACTORY
75 and BELOW	UNSATISFACTORY

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress determination at the time of each of the evaluations. Evaluations are based on scheduled hours, therefore, attendance is extremely important. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance, 89%, or academic progress, 76%, are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress, after the warning period, will be placed on probation and considered to be making Satisfactory Academic Progress while during the probationary period, if the student appeals the decision prior to being placed on probation and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised, in writing, of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period the student has still not met both the attendance and academic requirements required for Satisfactory Academic Progress or by the academic plan, he/she will be determined as NOT making Satisfactory Academic Progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish Satisfactory Academic Progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE IN COMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. No title IV funds will be disbursed while a student is on a Leave of Absence.

APPEAL PROCEDURE

If a student is determined to not be making Satisfactory Academic Progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination or a missed evaluation include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet Satisfactory Academic Progress standards and/or why they missed their evaluation, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point as well as a reason to not be assessed the \$50.00 fee to retake. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed, no fees will be applied and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, course incompletes, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

3. Administration approval must be signed off on the student's request for an LOA
4. Victoria's Academy of Cosmetology may not assess the student any additional institutional charges as a result of the LOA.
5. The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period.
6. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
7. Victoria's Academy of Cosmetology will extend the student's contract period by the same number of days taken in the LOA. One PROBATION period is allowed before the student is considered to not be making SATISFACTORY PROGRESS and dropped from their program.

REPETITION

A student making SATISFACTORY PROGRESS at the time of their withdrawal may apply for re-enrollment in the school and will be considered to be making SATISFACTORY PROGRESS at the time of re-enrollment as long as all policies and procedures were followed.

A student failing to meet SATISFACTORY PROGRESS at the time of withdrawal will be placed on probation at the same point they were at when they withdrew.

BORROW BASED YEAR

Victoria's Academy follows the borrower based year for all students on financial aid.

WITHDRAWAL/PROGRAM INCOMPLETE

Any student who withdraws from his/her program or fails to complete his/her training will have a notice placed in their student file as to their Satisfactory Progress at the point of withdrawal.

COLLECTION POLICY

Any student who withdraws, or is withdrawn, from Victoria's Academy will be subject to the academy's TUITION REFUND POLICIES. (page 19 & 20) Thirty days after their official withdrawal date if the student has a balance owing to the academy and has not made arrangements to satisfy the balance, the academy will retain their collection agency to recover the balance. Victoria's Academy will make every possible effort to help the student make an arrangement for payment. If arrangements are made and the student does not honor them the balance will then be handed off to their collection agency for recovery

SUBSTANCE ABUSE POLICY

Victoria's Academy is a **DRUG AND ALCOHOL FREE** facility. Unlawful use, sale, possession, distribution, or being under the influence or association of alcohol or drugs while on the premises is strictly prohibited. Possession of any form of alcohol, illegal contraband or paraphernalia that would normally be associated with the use of narcotics and/or alcohol consumption, is strictly prohibited. Any student or staff member found to be in possession or under the influence of alcohol or illegal substance while on the premises will be asked immediately to leave and will not be allowed back until the administration decides, what, if any, disciplinary action will be taken. Victoria's Academy reserves the right to orally test any student or employee if suspected of being under the influence of drugs or alcohol. The student/staff member will be contacted, via US Mail, within ten (10) days of the incident. At that time, a meeting between administration and the student/staff member will be scheduled to determine if and/or when the student/staff member will be permitted to return to school or work.

DRUG ABUSE PREVENTION PLAN

Victoria's Academy has in place a policy that allows a student to be drug tested if suspected of recent use. If the test is positive it is the plan to counsel the student and refer them to an agency that has expertise in the area of concern. The student would be withdrawn, suspended or put on a leave of absence.

COUNSELING POLICY

Victoria's Academy offers support to all students in any possible way. If an issue arises that is out of our expertise, ie: medical, mental health, domestic violence or substance abuse, the student will be referred to the appropriate community resource. A current list of these resources and their phone numbers will be given to each student and posted in an area visible to all students.

PACKAGING POLICY

Packaging student aid, PELL's or LOANS, at Victoria's Academy will be determined by our financial aid administrator and our third party servicer. Information for packaging will be gathered by Victoria's Academy's financial aid staff with the student and forwarded to our third party servicer to do the awarding for the student. Victoria's Academy will distribute any excess credit balances to the student. Any student who receives a PELL grant while attending Victoria's Academy will receive it as long as there is no balance due for tuition, kit or books.

VERIFICATION OF LOW INCOME POLICY

Victoria's Academy will require verification on any prospective student seeking financial aid assistance if the income they declare is below the IRS threshold, if they did not file federal income tax returns for the year prior to enrollment or are not selected by the department of education for verification.

PROFESSIONAL JUDGEMENT POLICY

If, in the opinion of the financial aid administrator, circumstances for a perspective student warrant professional judgment, a determination will be made by the financial aid administrator and the management. All decisions by the financial aid administrator are final, and not subject to appeal.

GRADING POLICY

On or about the first of each month all grades will be added to the previous month's average to determine whether the student is meeting satisfactory standards of the school. If a student falls below 76% in academic or practical or 89% in their attendance, they will be counseled and allowed 30 days to raise their grades to a 76% in academic or practical or 89% for attendance. If after 30 days the average in all areas is not at 76% in academic and practical or 89% in attendance they will be referred for academic tutoring classes. Progress reports will be issued every 455 hours for Cosmetology, Barber and Master Esthetics, every 375 hours for Massage and every 300 hours for Instructor. If a student is below 76% in academics or practical or 89% in attendance on progress reports they will be subject to the Satisfactory Academic Progress policy at evaluation periods described in the Satisfactory Academic Progress Policy.

The following factors will be measured to determine academic and practical progress: Theory (test grades, class participation, homework) and all practical/clinical work.

All work, theory and practical, will be graded according to the following scale:

100% - 94% = A

93% - 85% = B

76% - 84% = C SATISFACTORY

0% - 75% = failing

Attendance is based on hours accumulated each month and averaged with the previous months attendance average.

OVERTIME HOURS POLICY

Overtime hours are defined as: Any and all hours that a student must attend the Academy which exceed the original contract term, in order to accumulate the required amount of hours needed to complete their program. If a student maintains 89% attendance no overtime charges will accumulate. If a student falls below 89% attendance and goes over their contracted hours they will be assessed overtime charges. Overtime hours will be charged at the rate of **(\$25.00) TWENTY FIVE DOLLARS PER HOUR**. Any charges due for overtime hours will be calculated upon completion of training or withdrawal and must be paid in full before student is eligible to refer to testing with any Washington State testing agency.

STUDENT DISCIPLINE POLICY

Disciplinary actions are taken with students when Victoria's Academy's written Policies and Procedures are not adhered to and when they do not follow the Student Code of Conduct. When these things happen, the instructor(s) will take the following course of action:

- First Offense - Student will receive an oral warning.
- Second Offense - Student will receive a written warning.
- Third Offense - Student will receive a second written warning and will be sent home for the remainder of the day.
- Fourth Offense - Student will receive a third written warning and will receive an automatic 3 day suspension.

Suspensions will be treated as absences and will be subject to the OVERTIME HOURS POLICY.

Written warnings and fourth offense write-up's will be explained to the student, signed by both the instructor and the student, and will then become part of the students permanent record.

Any student reaching the maximum time allowed: Cosmetology 1904 available hours, Hair Design 1579 available hours, Barber 1232 available hours, , Master Esthetics 1400 available hours, Massage 878 available hours and Instructor 672 available hours will be automatically terminated from their program. All hours missed weather due to personal (immediate family deaths may not apply) or through discipline procedures count towards these maximums. Contracted hours are different from these totals. Anything accumulated above students contracted hours: Cosmetology 187 hours, Hair Design 130, Barber 121, Master Esthetics 137, Hair Design 130, Massage 83 and Instructor 66 until reaching maximum scheduled hours will be charged \$25.00 per hour.

WORK STATIONS AND SCHOOL PROPERTY

When a student completes their "freshman requirements" and moves to the clinic floor, a personal workstation will be assigned. Stations are rotated every two months. Work stations are the property of Victoria's Academy and are subject to a search by any staff member at any time. Each student is responsible for maintaining a clean and safe work area. Stations are to remain uncluttered and organized. Items allowed on stations are limited to the following:

- Approved products that are used for client services
- One 5x7 picture frame to display personal photo(s). Photos must not be offensive to clients, staff or other students

All areas are to be maintained in a clean and sanitary manner. No mannequin stands are allowed to be attached to stations. Students will be assigned sanitation duties to be done on a daily basis and will be checked before class is dismissed, this will include personal work station. Duties will be assigned by area and month. Any defacing, vandalism or abuse of any school property will be grounds for immediate suspension or expulsion.

BREAK ROOM

A break room has been provided for students and staff. Microwaves and a refrigerator are available for use and it is expected that this area will be kept clean and neat. Please clean up after yourself; dispose of perishable items properly. Food and/or beverages are not allowed in the clinic area except for bottled water. Noise levels in the break room should be maintained at a reasonable level.

EMPLOYMENT ASSISTANCE

Students at Victoria's Academy will, throughout their training, learn various strategies for entering the workforce.

Students in all programs at Victoria's Academy will receive Salon Management training. This will include lessons about ethics, professionalism, appearance and attitude, writing resumes, interviewing and several other valuable tools for finding employment.

Victoria's Academy does not and cannot guarantee employment to our students but we will help students in making the right choices and decisions where their future is concerned. We consistently have salon owners, managers, sales representatives and educators that give classes and presentations to our students. They speak about career opportunities and what they have to offer. They offer information to students about the things that will interest them in becoming a part of their teams. They leave their business cards and employment applications for their places of business. Students will also be encouraged to enter competitions and attend style shows. These events will give them confidence in their performance as professionals and great exposure to prospective employers.

We can, upon request, provide a list of salons and businesses that employ former Victoria's Academy graduates. These employers want more of the exceptional Cosmetologists, Hair Designers, Barbers, Manicurists, Master Estheticians and Instructors that have received their training at Victoria's Academy. We receive an average of two calls per week inquiring about our graduates. We will post all inquiries on the student bulletin board in the lunch room and hallway.

APPEAL, COMPLAINT & GRIEVANCE POLICY

In accordance with the institution's policies, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation, thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.

WHILE ON THE CLINIC FLOOR

- Clients always come first.
- Always be courteous, respectful and patient with your clients and fellow students.
- Refusing a client is not an option for anyone at any time (without a valid reason cleared with an instructor) **Refusing a client will result in an immediate three day suspension.**
- Before any client service begins, students are required to consult with an instructor.
- All client services will be checked and corrected, if needed, by an instructor. This is a learning environment and our clients are aware of this. We will always give you comments in both your strong and weak areas, thus helping enforce the learning process for you. You are expected to pay attention to this “constructive criticism” and know that it is never our intention to embarrass you. Victoria’s Academy has a high reputation within the community in regards to student services and our intention is to maintain this reputation. Students will be required to watch and ask questions while the service is being checked. It is your responsibility to make sure that an instructor checks all services performed on clients before they leave, unless other arrangements have been approved by an instructor.
- Your client is your best form of advertising, make sure their appointment with you is a pleasant experience.
- Students are responsible for keeping current with their daily appointment schedule. Schedules are subject to constant change, without notice.
- Students will not congregate at stations, front desk, dispensary or reception area.
- Students are to come to the front desk only for the purpose of picking up service slips, greeting or checking out clients. Students are not allowed behind the reception desk without permission.
- No eating or gum chewing.
- Students may have only water in bottles at their stations.
- Students are not allowed to discuss matters with another students client.

WHILE ON THE CLINIC FLOOR

(continued)

- The noise will be maintained at a professional level.
- Students teaming together for services on one client must have permission from an instructor.
- Students are expected to practice on their mannequins if there are no clients to work on.
- Students are to give their clients their undivided attention. Students are not to interrupt other students when they are working on a client and are not to engage in conversation with other students while working on clients.
- Students are not to change or move appointments without the permission of an instructor.
- Cell phones should NEVER be used on the clinic floor. The use of cell phones during school hours, unless in the theory classroom for school purposes with the instructors knowledge, on a break or during lunch, is not permitted. NO EXCEPTIONS!!! A cell phone may be on vibrate while in the students pocket but must not be answered anywhere except in the student lunchroom or while on break. If this is not respected the cell phone will be taken and kept by a staff member until the end of the day.
- Except to communicate with clients or in the case of an emergency, students are not to make or receive telephone calls at the front desk.
- Always remember, even when you are not at school, to watch your comments regarding your clients. You would be surprised at how small the world really is and how easy it is for distasteful comments to reach the ears of your clients. It is important to maintain your professionalism in school as well as out in public.
- The solicitation of gratuity is forbidden, however, if received it is the responsibility of the student to report to the IRS.

STUDENT SERVICES

Students are entitled to receive one \$25.00 chemical voucher per month, as long as the students previous months assignments and requirements were completed. Additional chemical services during the same month are half price. This includes, but is not limited to, any additional colors used. All students giving or receiving services will do so remembering that our clients come first and always take the priority over any student services in progress. If asked by an instructor, students will be more than happy to help a client and continue the student service after the client has left.

STUDENT CODE OF CONDUCT

While enrolled at Victoria's Academy, students are expected to follow and respect the conduct code. Victoria's Conduct Code is mirrored in Washington State WAC's: WAC 495A-121-029, WAC 495A-121-040, WAC 495A-121-041, WAC 495A-121-042, WAC 495A-121-043, WAC 495A-121-044

Disciplinary action will be taken with any student that violates these codes in any manner (see STUDENT DISCIPLINE POLICY).

Examples are: Being disrespectful to staff, clients or other students, inappropriate appearance, repeated unsafe practical procedures, fresh alcohol consumption, drug use or emotional instability. Unprofessional conduct will not be tolerated. This includes, but is not limited to, swearing, name-calling, gossiping, fighting, and/or yelling. All staff and students will treat one another equally, fairly and respectfully at all times.

If a student is caught doing so they will be subject to immediate suspension or expulsion. Students are advised to label, in some manner, all items included in their student kit. Remember, everybody has the same equipment and unlabeled items are prone to be mistaken for somebody else's property. When you are missing something, keep this in mind before accusing another student of stealing. Always check with a staff member and make sure that what you are missing has not already been found. Victoria's Academy reserves the right to search students bags, purses, lockers and/or jackets if warranted.
