Mission Statement
Victoria’s Academy’s mission is to train students in the field of Barber, Cosmetology, Hair Design, Instructor, Massage, and Master Esthetics for the workforce of today.

School Facilities
In 2009 we moved into a new building with over 16,000 sq. ft of space for our students. We have three large classrooms, each with capabilities for teaching using the internet and overhead Power Point. Our Master Esthetics and Massage area has it’s own classroom, 14 spa rooms enclosed in their own cubicle with the latest Esthetic equipment available. Our Master Esthetics program meets NCEA and NACCAS standards. We have a student lounge/lunch and locker area with a kitchen. The Cosmetology dispensary is large and open overlooking the clinic floor. There are 62 Cosmetology stations in the main lab with a separate beginning lab that will comfortably house 25 students. There are 8 shampoo bowls and a separate Barber shop with seven stations.

Educational Objective
1. To complete your program within the Academy’s guidelines
2. To successfully take and pass your state exams
3. To become licensed in the student’s area of study

Once a student receives Victoria’s Academy’s completion certificate, takes and passes their WA. State or MBLEX exams and applies and receives their WA. State license they will be allowed to work as a Barber, Cosmetologist, Hair Design, Instructor, Massage, and Master Esthetician.

Curriculum Format
Instructional performance objectives are developed for each competency in each of the programs offered by Victoria’s Academy. Student learning objectives are used in all theory and practical applications, safety and sanitation practices and procedures, and attendance and professionalism.

The instructional staff at Victoria’s Academy use lesson plans that follow the most recent Milady published textbooks and reference materials available. Instructors are also given the freedom to use their own instructional experience as well to be creative and motivational. PowerPoint is used for theory as well as an abundant amount of visual aids. Audio/visual aids, computer presentations, tapes, books, lectures and demonstrations will also be used as part of the learning experience for students. Theory is delivered in creative and interesting ways, in individual and/or group settings, each geared around every learning style. A dedicated instructor is on staff for theory to ensure students receive the best opportunity for learning. Our maximum class size per instructor is 20 students and the average student to teacher ratio is 15 students to 1 instructor.

Career Paths
There are many career paths associated with the Cosmetology Arts and Science industry. With the proper training and license you can become a stylist, barber, master esthetician, instructor, massage therapist, owner or manager of a salon or spa, product and equipment sales representative, product educator, platform artist, a member of your state board of licensing, owner of a school, skincare consultant, competitor, judge….the opportunities are endless!

Students are welcome to take home any videos, software, laptop computers or equipment from Victoria’s Academy for additional studying. Any item taken must be checked out by a staff member and returned to the school the next business day. Failure to return any item will result in the student being charged for the item.

FINANCIAL AID

Applying For Aid

Application Process: In order to apply for federal financial aid, the student must complete the application for federal student Aid (FAFSA), and finish the necessary documentation required for verification of information submitted. After the application is completed by the student, the information will be sent to a servicer to determine the financial aid eligibility. Once eligibility is determined, the financial aid office will develop a breakdown showing the estimated charges.

Financial aid is available to those who qualify through the Department of Education.
You must complete the current years FASFA on line at: www.fafsa.ed.gov
Victoria’s Academy’s school code is 041272

Financial Aid Program

Victoria’s Academy of Cosmetology participates in Federal programs of assistance – Federal Pell Grant, and Federal Stafford Loans (subsidized and unsubsidized). The amount and type of financial aid offered is based upon financial need as determined by the federal government’s system of need analysis. All students will qualify for loans, either through subsidized/unsubsidized guaranteed student loans; the exception would be a student who is in default on a previous student loan, or a student who has been convicted of possessing or selling illegal drugs while receiving financial aid at any post secondary school.

FEDERAL PELL GRANT: A federal program of grants based on demonstrated financial need. Upon receipt of the Student Aid Report, it is signed by the student and used by this institution to receive aid for the student.

SUBSIDIZED FEDERAL DIRECT STAFFORD LOANS: This is a low-interest, long term loan program available through the U.S. Department of Education. Special applications are available in the financial aid office. The loan is guaranteed by an agency of the federal government. Interest does not accrue and repayment does not begin while the student is attending an approved school at least on a half-time basis. There is usually a six month grace period after a student leaves school before repayment begins. This loan is based on financial need. THIS IS A LOAN AND MUST BE REPAID BY THE STUDENT.

UN-SUBSIDIZED FEDERAL DIRECT STAFFORD LOANS: This is a loan guaranteed by the federal government. It is available to students who may require additional funds beyond the subsidized Stafford Loan. The government does not pay the interest while the student is attending school, but interest and principal can be deferred until six months after graduation, or it may be repaid while the student is attending school. Interest rates are identical to the subsidized Stafford Loans. It is strongly recommended that students borrow under this program only what is absolutely necessary to meet educational expenses. THIS IS A LOAN AND MUST BE REPAID BY THE STUDENT.
Parent Plus Loans
A Federal Parent Plus loan requires a credit check and is based on the parent’s credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent’s credit history, nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

Parent plus loans must be done in the first academic year of their program.

Policy For Verification Of Title IV Funding
Victoria’s Academy has policies and procedures that it follows for verification of Title IV funding. Verification is a requirement by the U.S. Department of Education. Students are randomly selected to provide additional information. Victoria’s Academy provides students with a verification form so they can collect the necessary information.

Students understand that Victoria’s Academy does not guarantee the student loan process in any respect.

All verification forms/documentation must be completed and turned in prior to the start date. If additional information is required, students will have 2 school days to submit the forms; after this time period students will not be allowed at school until all required forms are submitted.

Verification of Low Income
Victoria’s Academy will require verification on any prospective student seeking financial aid assistance if the income they declare is below the IRS threshold, if they did not file federal income tax returns for the year prior to enrollment or are not selected by the department of education for verification.

Professional Judgment
If, in the opinion of the financial aid administrator, circumstances for a perspective student warrant professional judgment, a determination will be made by the financial aid administrator and the management. All decisions by the financial aid administrator are final, and not subject to appeal.

Packaging Policy
Packaging student aid, Pell’s or Loans, at Victoria’s Academy will be determined by our financial aid administrator and our third party servicer. Information for packaging will be gathered by Victoria’s Academy’s financial aid staff with the student and forwarded to our third party servicer to do the awarding for the student. Victoria’s Academy will distribute any excess credit balances to the student. Any student who receives a Pell Grant while attending Victoria’s Academy will receive it as long as there is no balance due for tuition, kit or books.

Notice to Buyer
Should a student complete the program earlier than the estimated timeframe stated on the contract, the students financial Aid package may be recalculated and that this may result in liabilities owed by the student and/or the institution.
Withdrawal/ Termination

If student decides to withdraw from Victoria’s Academy, the following procedure must be followed:

Student must complete a withdrawal form and return it to Victoria’s Academy; the form must be filled out and signed. If turned in and not complete, the withdraw process may be delayed. A withdrawal form may be obtained from any staff member. The official withdrawal date is the date that Victoria’s Academy receives the completed form. Student is responsible for seeing that the form reaches that point. Withdrawal will not be considered official until a withdrawal form is completed and returned. Once Victoria’s Academy has received the completed form, Student will be given an exit interview during which administration and/or financial aid office will review student options, determine status and consider future educational goals. Student will then be advised of any financial obligations they may have pending.

If the procedure is not followed completely, formal termination by Victoria’s Academy will be based on the monitoring of attendance determined by Victoria’s Academy every thirty (30) days. The following methods of determination will be used: Academic counseling or advising, class examinations, tutorials, computer assisted-instruction or other academically related activities.

The $150.00 withdrawal fee will be accessed for any withdrawal or termination. For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure. Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal, whether officially or unofficially. Any refunds due to the student will be calculated on the student’s last day of attendance.

Termination

Victoria’s Academy may terminate a student’s enrollment for noncompliance with general policy’s, this contract, or State laws and regulations; improper conduct or any action which causes or could cause, bodily harms to a client, a student, or employee of the school; willful destruction of school property or any theft or illegal act.

Collection

Victoria’s Academy’s collection procedures shall reflect ethical business practices. Any student who withdraws, or is withdrawn, from Victoria’s Academy will be subject to the academy’s TUITION REFUND POLICIES. (pages 23-25. Thirty days after their official withdrawal date if the student has a balance owing to the academy and has not made arrangements to satisfy the balance, the academy will retain their collection agency to recover the balance. Collection correspondence regarding cancellation and settlement from the institution itself, banks, collection agencies’, lawyers or any other third parties representing Victoria’s Academy clearly acknowledges the existence of the Withdrawal and Settlement Policy. If promissory notes or contracts for tuition are sold or discounted to third parties, the third party must comply with the cancellation and settlement policy of Victoria’s Academy. Victoria’s Academy will make every possible effort to help the student make an arrangement for payment. If arrangements are made and the student does not honor them the balance will then be sent to their collection agency for recovery.

If a student is making SAP they are not required to sign the evaluation.

**Determination Of Progress Status**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress determination at the time of each of the evaluations. Evaluations are based on actual hours, there for, attendance is extremely important. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.
Attendance Progress Evaluations

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled and includes quantitative elements that are evaluated on a cumulative basis at each evaluation period throughout the program of study. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study and includes qualitative elements that are evaluated on a cumulative basis at each evaluation period throughout the program of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written cumulative grade average of 76% and pass a midterm and final written and practical exam with a 76% or higher prior to graduation. Students must make up missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

<table>

</tr>
<tr>

</tr>

</tr>
<tr>

</tr>
</tbody>
</table>
**Warning**

Students who fail to meet minimum requirements for attendance, 80%, or academic progress, 76%, are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

**Probation**

Students who fail to meet minimum requirements for attendance or academic progress, after the warning period, will be placed on probation and considered to be making Satisfactory Academic Progress during the probationary period, if the student appeals the decision prior to being placed on probation and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised, in writing, of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period the student has still not met both the attendance and academic requirements required for Satisfactory Academic Progress or by the academic plan, he/she will be determined as NOT making Satisfactory Academic Progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

**Re- Establishment of Satisfactory Academic Progress**

Students may re-establish Satisfactory Academic Progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

**Interruptions, Course Incompletes, Withdrawals**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. No title IV funds will be disbursed while a student is on a Leave of Absence.

**Transfer Hour Students**

The maximum time allowed for transfer students who need less than the full course requirements or part-time transfer students will be determined based on a percentage of the scheduled contracted hours. With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at Victoria’s Academy.

**Non-Credit, Remedial Courses, Repetitions**

Noncredit, course incompletes, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress.
**Appeal Procedure**

If a student is determined to not be making Satisfactory Academic Progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination or a missed evaluation include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet Satisfactory Academic Progress standards and/or why they missed their evaluation, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student’s situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point as well as a reason to not be accessed the $50.00 fee to retake. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed, no fees will be applied and federal financial aid will be reinstated, if applicable.

**Maximum Allowed Time**

The maximum time (which does not exceed 125% at any time of the course length) allowed for students to complete each course at satisfactory academic progress is stated below. Any transfer hours from another Washington State school that are accepted towards the students educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Anyone attending Victoria’s Academy who reaches the maximum time allowed for their program of study may be put on a special circumstance plan with school approval by Director and or Owner to finish but will be charged overtime.

**Leave of Absence Policy**

**Medical/Special Family Circumstances Leave of Absence**

Victoria’s Academy of Cosmetology defines an authorized leave of absence (LOA) as a temporary interruption in a student’s program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance due to an institutionally scheduled break. However, a scheduled break may occur during an LOA.

LOA’s are only granted for medical or special family circumstances.

As a student in Victoria’s Academy of Cosmetology an approved LOA must meet the below guidelines and Policy:

1. All requests for leaves of absence must be submitted in advance, in writing (LOA request form). It must include the reason for the student’s request, and include the student’s signature, unless unforeseen circumstances prevent the student from doing so. In the case of unforeseen circumstances, Victoria’s Academy will document the reason for its decision to allow the LOA and collect the LOA documents at a later date. The beginning date of the approved LOA would be determined by Victoria’s Academy to be the first date the student was unable to attend the institution because of the unforeseen circumstances.

2. There is an agreement of a reasonable expectation that the student will return from the LOA.

3. Administration approval must be signed off on the student’s request for an LOA.

4. Victoria’s Academy of Cosmetology may not assess the student any additional institutional charges as a result of the LOA.

5. The LOA together with any additional leaves of absence must not exceed a total of 180 calendar days in any 12-month period.

6. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

7. Victoria’s Academy of Cosmetology will extend the student’s contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. If the student does not return from their Leave of Absence the withdrawal date will be the students last day of attendance for the purpose of calculating a refund.

8. If a Student is not approved for an LOA and the student choose to still be gone (Vacation) your absences will follow our attendance policy.

They speak about career opportunities and what they have to offer. They offer information to students about what will interest them in becoming a part of their teams. They leave their business cards and employment applications for their places of business. Students will also be encouraged to enter competitions and attend style shows. These events will give them confidence in their performance as professionals and great exposure to prospective employers. Victoria’s Academy will provide a list of salons and businesses that employ former Victoria’s Academy graduates. These employers want more of the exceptional Cosmetologists, Barbers, Hair Design, Estheticians and Instructors that have received their training at Victoria’s Academy. If a student is caught doing so they will be subject to immediate suspension or expulsion. Students are advised to label, in some manner, all items included in their student kit. Remember, everybody has the same equipment and unlabeled items are prone to be mistaken for somebody else’s property. When you are missing something, keep this in mind before accusing another student of stealing. Always check with a staff member and make sure that what you are missing has not already been found. Victoria’s Academy reserves the right to search students bags, purses, lockers and/or jackets if warranted.

**Student Discipline Policy**

Disciplinary actions are taken with students when Victoria's Academy's written Policies and Procedures are not adhered to and when they do not follow the Student Code of Conduct. When these things happen, the instructor(s) will take the following course of action:

- **First Offense** - Student will receive an oral warning.
- **Second Offense** - Student will receive a written warning.
- **Third Offense** - Student will receive a second written warning and a 1 day suspension.
- **Fourth Offense** - Student will receive a third written warning and will receive an automatic 3 day suspension.

Suspensions will be treated as absences and will be subject to the OVERTIME HOURS POLICY. Written warnings and fourth offense write-up's will be explained to the student, signed by both the instructor and the student, and will then become part of the students permanent record.

Anything accumulated above students contracted hours: Cosmetology 168 hours, Hair Design 143, Barber 107, Master Esthetics 137, Massage 83 and Instructor 66 until reaching maximum scheduled hours will be charged $30.00 per hour.

**Once a student has reached 8 disciplinary write ups, a disciplinary contract set up with school director and instructor will be made. If terms of contract are broken this will result in termination of enrollment.**
