Financial Aid Program

Victoria's Academy of Cosmetology participates in Federal programs of assistance – Federal Pell Grant, and Federal Stafford Loans (subsidized and unsubsidized). The amount and type of financial aid offered is based upon financial need as determined by the federal government's system of need analysis. All students will qualify for loans, either through subsidized/unsubsidized guaranteed student loans; the exception would be a student who is in default on a previous student loan, or a student who has been convicted of possessing or selling illegal drugs while receiving financial aid at any post secondary school.

FEDERAL PELL GRANT: A federal program of grants based on demonstrated financial need. Upon receipt of the Student Aid Report, it is signed by the student and used by this institution to receive aid for the student.

SUBSIDIZED FEDERAL DIRECT STAFFORD LOANS: This is a low-interest, long term loan program available through the U.S. Department of Education. Special applications are available in the financial aid office. The loan is guaranteed by an agency of the federal government. Interest does not accrue and repayment does not begin while the student is attending an approved school at least on a half-time basis. There is usually a six month grace period after a student leaves school before repayment begins. This loan is based on financial need. **THIS IS A LOAN AND MUST BE REPAYED BY THE STUDENT.**

UN-SUBSIDIZED FEDERAL DIRECT STAFFORD LOANS: This is a loan guaranteed by the federal government. It is available to students who may require additional funds beyond the subsidized Stafford Loan. The government does not pay the interest while the student is attending school, but interest and principal can be deferred until six months after graduation, or it may be repaid while the student is attending school. Interest rates are identical to the subsidized Stafford Loans. It is strongly recommended that students borrow under this program only what is absolutely necessary to meet educational expenses. **THIS IS A LOAN AND MUST BE REPAYED BY THE STUDENT.**

FINANCIAL AID CONT...

Parent Plus Loans

A Federal Parent Plus loan requires a credit check and is based on the parent's credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent's credit history, nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. **It is up to the student to make sure all forms are accurate and complete. The student is required to bring in the approval or denial letter to the financial aid office.**

All verification forms/documentation must be completed and turned in prior to the start date. If additional information is required, students will have 2 school days to submit the forms; after this time period students will not be allowed at school until all required forms are submitted.

Verification of Low Income

Victoria's Academy will require verification on any prospective student seeking financial aid assistance if the income they declare is below the IRS threshold, if they did not file federal income tax returns for the year prior to enrollment or are not selected by the department of education for verification.

Professional Judgment

If, in the opinion of the financial aid administrator, circumstances for a perspective student warrant professional judgment, a determination will be made by the financial aid administrator and the management. All decisions by the financial aid administrator are final, and not subject to appeal.

Information for packaging will be gathered by Victoria's Academy's financial aid staff with the student and forwarded to our third party servicer to do the awarding for the student. Victoria's Academy will distribute any excess credit balances to the student. Any student who receives a Pell Grant while attending Victoria's Academy will receive it as long as there is no balance due for tuition, kit or books.

SATISFACTORY ACADEMIC PROGRESS

SAP

The Satisfactory Academic Progress Policy is consistently applied to all students in any program at Victoria's Academy, regardless of fulltime or parttime status and or whom are enrolled at the school that receive Title IV and non-Title IV funds. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. This policy is applied consistently to all students enrolled in a specific program and schedule. Victoria's Academy Academic Year is based on this policy and complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

SAP Evaluations

Every program at Victoria's Academy are measured by actual hours and a 910 hour Academic year. Students are evaluated for Satisfactory Academic Progress at midpoint or less of their Academic Year as follows:

Cosmetology 455, 910, 1365 actual hours

Hair Design 455, 910, 1365 actual hours

Master Esthetics 455, 910 actual hours

Barber 455, 910 actual hours

Massage 375 actual hours

Instructor 300 actual hours

The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. At each SAP evaluation period students are given a written copy of that evaluation and a plan, if needed, to meet Satisfactory Academy minimums. Students not meeting Satisfactory Academic Progress must sign documentation showing they were notified, to be placed in student file. If a student is making SAP they are not required to sign the evaluation.

Determination Of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students not meeting SAP will receive a hard-copy of their Satisfactory Academic Progress determination at the time of each of the evaluation. Evaluations are based on actual hours, there for, attendance is extremely important. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

SAP CONTINUED

Attendance Progress Evaluations

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled and includes quantitative elements that are evaluated on a cumulative basis at each evaluation period throughout the program of study. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study and includes qualitative elements that are evaluated on a cumulative basis at each evaluation period throughout the program of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written cumulative grade average of 76% and pass a midterm and final written and practical exam with a 76% or higher prior to graduation. Students must make up missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

94-100	Excellent
85-93	Very Good
76-84	Satisfactory
75-Below	Unsatisfactory

WARNINGS AND PROBATION

Warning

Students who fail to meet minimum requirements for attendance, 80%, or academic progress, 76%, are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation

Students who fail to meet minimum requirements for attendance or academic progress, after the warning period, will be placed on probation and considered to be making Satisfactory Academic Progress during the probationary period, if the student appeals the decision prior to being placed on probation and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised, in writing, of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period the student has still not met both the attendance and academic requirements required for Satisfactory Academic Progress or by the academic plan, he/she will be determined as NOT making Satisfactory Academic Progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish Satisfactory Academic Progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. No title IV funds will be disbursed while a student is on a Leave of Absence.

Transfer Hour Students

The maximum time allowed for transfer students who need less than the full course requirements or part-time transfer students will be determined based on a percentage of the scheduled contracted hours. With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at Victoria's Academy.

Non-Credit, Remedial Courses, Repetitions

Noncredit, course incompletes, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress.

APPEAL

Appeal Procedure

If a student is determined to not be making Satisfactory Academic Progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination or a missed evaluation include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet Satisfactory Academic Progress standards and/or why they missed their evaluation, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point as well as a reason to not be assessed the \$50.00 fee to retake. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed, no fees will be applied and federal financial aid will be reinstated, if applicable.

Leave of Absence Policy

Medical/Special Family Circumstances Leave of Absence

Victoria's Academy of Cosmetology defines an authorized leave of absence (LOA) as a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance due to an institutionally scheduled break. However, a scheduled break may occur during an LOA. LOA's must be 5 school days or longer to be approved with supporting documentation.

LOA's are only granted for medical or a family death.

As a student in Victoria's Academy of Cosmetology an approved LOA must meet the below guidelines and Policy:

1. All requests for leaves of absence must be submitted in advance, in writing (LOA request form). It must include the reason for the student's request, and include the student's signature, unless unforeseen circumstances prevent the student from doing so. In the case of unforeseen circumstances, Victoria's Academy will document the reason for its decision to allow the LOA and collect the LOA documents at a later date. The beginning date of the approved LOA would be determined by Victoria's Academy to be the first date the student was unable to attend the institution because of the unforeseen circumstances.
2. There is an agreement of a reasonable expectation that the student will return from the LOA.
3. Administration approval must be signed off on the student's request for an LOA
4. Victoria's Academy of Cosmetology may not assess the student any additional institutional charges as a result of the LOA.
5. The LOA together with any additional leaves of absence must not exceed a total of 180 calendar days in any 12-month period.
6. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
7. Victoria's Academy of Cosmetology will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. If the student does not return from their Leave of Absence the withdrawal date will be the students last day of attendance for the purpose of calculating a refund.
8. If a Student is not approved for an LOA and the student choose to still be gone (Vacation) your absences will follow our attendance policy.

Time Clock Policy

Each student is expected to clock in and out daily to receive credit for hours attended. Students will be given a 2 week grace period to learn the system and process, in which time clock adjustments will be allowed. After the 2 week grace period, adjustments to the time clock will **NOT** be made unless you are working with a client and the instructor verifies, to which you will only receive hours for the service time. If the instructor verifies a correction, the correction will **ONLY** be made for the previous month.
